

## McHeather (Makheda) – ARTIST BIOGRAPHY

McHeather (Makheda) is a musical artist for earth.

Born in Soweto!

His musical roots run deep within his family, which includes a lineage of talented musicians—his father, uncles, and brothers all contributing to his early exposure to sound and rhythm.

Drawing inspiration from his given name, "Makheda Ndizwone," he adopted the stage name Mcheather, also stylized as "Makaida," a nod to both heritage and identity.

Mcheather is a genre-defying artist and sonic visionary known for crafting a distinctive musical experience that blends elements of hip-hop, R&B, pop, house, amapiano, gospel, reggae, and afrobeats. His sound is unified by a foundation of rich, soulful chord progressions and emotionally resonant melodies, positioning him as a dynamic force in the evolving global music landscape.

His debut album, *Triptych*, showcases his innovative approach to Afro House. More than just a

collection of songs, *Triptych* represents a reimagining of the genre—blending traditional Afro House rhythms with experimental textures and global influences, offering listeners a fresh and compelling sonic journey.

Currently signed under Scard Media Entertainment, Mcheather is quickly establishing himself as one of South Africa's most versatile and forward-thinking musical talents. With an ear for innovation and a heart rooted in musical legacy, he continues to break boundaries and shape the future sound of African music.
